M'LEAN'S CORDIAL. As may be seen, we insert this week the advertise sent of McLlean's Cordial, etc. It is very well known we are not porticularly favor able to patent medicines, and, as a general thing, eachew the whole of them with birt little recembly, and with these sentiments we declined inserting this advertise ment until we knew what were the ingredients of the medicine, and how compounded. This we have learned and believing, as we do, that the ingredients are good and the compound judicionaly made, we recommend in as a mixture worthy of public confidence. The shove is from the St. Louis Christian Advocate edited by the renowned Rev. Dr. McAnally, which speaks volumes in favor of McLean's Cordial. We say
